Mobilizations Begins

As of March 31st the teachers' contract will officially expire. To signify the end of the contract QPAT is asking that we all have a **morning demonstration on March 31st** outside of our schools while wearing our beautiful buffs (informational image of options included in email).

Following our March demonstration we are asked to collectively wear the buffs once a week, on Thursdays (or another day that may be better for your entire school/staff). Remember to take pictures, you can send them to us, or post them using #Hereweare, #Onestlà and tag with @QPAT1864.

In conjunction with the QPAT Provincial Council, on Thursday May 4th, QPAT will be holding a "May the fourth be with you" visibility action. Members can dress up as their favorite Star Wars character and join us to demonstrate. Details will be shared with all members when received.

Save the Date: Saturday, June 10th, 2023:

Province-wide FSE Teachers' Demonstration at Quebec City.
(More information will be provided soon)

Teachers are also asked to include the banner (attached to email) and the following message in their email signatures:
