THIS MONTH'S TOP STORIES

COVID 19 Update and Code 70

QPAT is still in discussions with CPNCA and the Ministry about using our sick days for isolation. The hope is to return to Code 70's for the 5 days of required isolation. There should be more information shortly.

In the meantime, **QPAT and RTU are asking all teachers who use their sick days** due to COVID to please **keep track of the number of days** used and send us that information, in case of future developments on this topic.
