# Supervision: Bus and Recess

RTU would like to clarify that **Bus Duty** is **Supervision**, not Arrival and Dismissal/Student Movement.

**Recess Supervision** duration is the time the students are outside. Passing time accounts for the travel time to and from the class to outside.

The arrangement between RTU and RSB was for 15 minutes outside and 5 minutes passing time. If your students are expected to be outside for more than 15 minutes, supervision time needs to be adjusted accordingly. Please let RTU know if this is happening in your school.

## Emails from RTU @rtu-ser.com

RTU has a separate email from RSB. Please make sure you remove @rtu-ser.com from your spam or junk folder. We will be using the RSB email less as we are trying to keep our Union business separate from the board.
