FEEDBACK SHEET

1. Wages

That the Common Front demand:

- The introduction of a permanent mechanism whereby, annually on April 1, each rate of pay and pay scale will be adjusted based on the consumer price index (CPI)¹ for the period of January 1 to December 31 of the previous year.

For the duration of the three-year collective agreement:

- In year 1, an increase for each rate of pay and pay scale of \$100 per week², or application of the permanent annual cost-of-living adjustment mechanism plus 2%, whichever is greater;
- In year 2, application of the permanent annual cost-of-living adjustment plus a 3% pay increase;
- In year 3, application of the permanent annual cost-of-living adjustment plus a 4% pay increase.

3. Pension plan

3.1 That the Front commun demand the following enhancements to retirement terms and conditions, with no impact on the contribution rate:

- Improve phased retirement, in particular:
 - Increase from 5 to 7 years the maximum duration of phased retirement set out in the Act respecting the RREGOP;
 - Provide that workers who opt for phased retirement can extend it beyond the initially agreed-upon period, without exceeding the maximum period provided for in the program;
- Implement a process for adjusting pension amounts for retirement after age 65;
- Increase the maximum age of participation in the RREGOP to 71 years;
- Adjust the interest rate assumption for the actuarial reduction offset;
- Introduce an early benefit.

3.2 That the Front commun demand structural measures to stabilize RREGOP contribution rates in view of the plan's increasing maturity, based on an assessment of the union side's recommendations at the CSN-CSQ-FTQ working committee.

3.3 That the Front commun demand that the Caisse de dépôt et placement du Québec (CDPQ) significantly improve its responsible investment policy by taking greater account of environmental and social criteria in the financial management of its contributors' deposits.
