Student Teacher Money

All teachers who will be getting Student Teacher Money this year will have it paid out to them directly in June.

If you have Student Teacher Money from previous years you have until the end of the 2023 school year to spend it or have it paid to you. If you have banked student teacher monies and are interested in getting it paid out you must request the pay out from HR. Any money that is not spent or paid out by the end of the 2023 school year will be transferred to School Councils.

CONVENTION 2022

Have expertise to share?

QPAT is looking for workshops for next year's convention. You just need to be a teacher or team of teachers with experience to share and a plan. You can find the application form [here](#).

QPAT Consult and RTU Ask a Staffer

In the last week of March or early April teachers will be receiving a survey from a company hired by QPAT. The purpose of this survey is to determine what issues the membership wants the focus of the next round of negotiations to be. Negotiations start at the end of next year. RTU will be hosting a zoom question period on March 29th at 5:00pm to answer any questions about this survey or other issues you may be facing.
