# We're looking for Executives!

Every year the RTU membership elects who will sit on the executive board. This board is pivotal in determining the actions that are taken by the union. They also represent RTU and its interests at QPAT meetings. The only requirements are a permanent teaching position and an ability to think strategically about the long term consequences of RTUs actions.

If this sounds interesting keep your eyes peeled for an email from us detailing the nominations procedure and providing more details on the time commitment and position types available!
