## Leaves of Absence for 2024-2025

The deadline to apply for partial, full, or deferred salary leaves of absence is **March 1st**. Any full time regular teacher can apply for one. You can find a full guide on what they are and how to apply on our [website](#). If you have additional questions, phone or [email](#) us at RTU.

These leaves are independent of parental and sick leaves.

## Health and Safety Committees

School based health and safety committees should be up and running in every school. Concerns about violent students, parent harassment, slippery walkways, worn down stairs or other risks to your health at work should be taken to these committees first. If action plans are not developed and carried out, the issue will be escalated to the board level committees.

Please keep RTU apprised of the [minutes](#) of these meetings and concerns raised at them.
