## Negotiation Email Signature

If you have any of the negotiation banners in your email signatures, they can now be removed.

## Retroactive Pay

We understand that many of us are anxiously awaiting our retroactive pays and the new salaries. QPAT and the CSQ are actively working on the precise writing of our new agreements. Once the agreements are written and signed, RTU will make sure to clarify to our membership as to when they can expect these payments.

## School Visits

The RTU team, Tina, Mary and Helen, are trying to visit all the schools before the end of the year!

We look forward to restarting our school visits in May and June. Please check with your delegate to confirm the date and time of our upcoming visit.

## ASK-A-STAFFER

The RSB Excess list and the list of open teaching positions will come out by April 30th. RTU invites you to an ASK-A-STAFFER on April 16th, 2024, to address any questions on transfers between schools, priority list and staffing obligations.

Any questions on RTU nominations, or any other concerns, also welcomed.
