# Where is my money?

## Pay Adjustments

Our pay adjustments will be as follows:

December 23, 2021: 1st lump sum and our retroactive pay

January 6, 2022: 2nd lump sum

We were told the change in dates was due to a directive from the ministry and delays at GRICS in programming the changes into the pay system.

## RTU wants your minutes

RTU has put together an easy to remember address, [schoolminutes@rtu-ser.com](mailto:schoolminutes@rtu-ser.com) , for you to send your school committee minutes to. The meetings we want to archive are In School Special Needs, Health and Safety, and School/Staff/Teacher council. Please be sure to include the school, committee and meeting date in the name of the file!

RSB is working on a designated shared file for the school committee minutes. For now send only the In School Special Needs to Chantal Charlebois [ccharlebois@rsb.qc.ca](mailto:ccharlebois@rsb.qc.ca). We will let you know when and where to send the Health and Safety and School/Staff/Teacher council minutes once the system is set up.

## Need support, Administration not helping?

Your administrators are there to support your teaching. If you need help and your administration has made empty promises or failed to address the issue, contact RTU. You are not expected to deal with every behaviour alone in your classroom. That is a recipe for burn out. Examples of work issues could be chronic student behaviours, academic challenges, parent interaction, colleague interaction concerns.

If you are just feeling overwhelmed and do not know where to turn, contact us and we will help direct you in the right direction.
